There are also a number of general classrooms all with ICT facilities. All classrooms have interactive whiteboards, projectors and flip charts that are available for use.

A range of flexible ICT options available to suit your needs.

Meetings, Conferences and Special Events

A large range of flexible spaces accommodating up to 250 people.

A central venue to host social events, weddings or anniversaries.

High quality catering and the use of superbly equipped commercial kitchens are available.

Community Activity Programme

A diverse range of activities for all ages such as adult learning, dance classes, sports clubs and more are offered for everyone of all ages to join in with.

Beaumont Leys school is a community facility, open after school, weekends and throughout the school holidays.

Beaumont Leys can offer you a regular meeting venue, a place to stage functions and special events with or without catering (kitchen hire is available).

Built in April 2009 the school now wants to make the facilities available for local people to benefit from, taking the Beaumont Leys into the heart of the community.

Beaumont Leys Extended Services and Kajima Community are working in partnership to develop and operate extra-curricular and community activities for everyone to participate in.

The school vision is that staff, students and parents of Beaumont Leys School work together to achieve success for students, success for the school and success for the community.

“Together we achieve success”
